

## Vinpearl Phu Quoc Vietnam

Phu Quoc possesses one of World’s 100 best beaches. It is a beautifully tranquil tropical paradise lying in the Gulf of Thailand, which is 50km away from Ha Tien (Kien Giang) mainland. The island can be accessed via a 2 hour 30 minute speed-boat trip from Rach Gia or a 45-minute direct flight from Ho Chi Minh City.

The majority of the island falls under Vietnam’s National Park and marine conservatory. As a result, Phu Quoc Island is known for its stunning beaches, pristine natural environment, and friendly locals and makes for a fantastic snorkelling and scuba diving destination.

At Vinpearl Resort Phu Quoc, when it comes to catering to your business and meeting needs, we mean business. Consider your options and prepare to be satisfied with our 6 modern meeting venues coupled with world-class, dedicated service that can accommodate up to 2000 guests.
